

## MOBILE APP PRIVACY NOTICE

Last modified: September 3, 2024

### **Introduction**

The Fire Solutions Group, LLC dba Vision Solutions AR (“**Company**” or “**We**”) respect your privacy and are committed to protecting it through our compliance with this notice. This notice describes:

- The types of information we may collect or that you may provide when you purchase, download, install, register with, access, or use the “Vision Solutions AR” mobile application (the “**App**” or “**Application**”).
- Our practices for collecting, using, maintaining, protecting, and disclosing that information.

This notice applies only to information we collect in this App and in email, text, and other electronic communications sent through or in connection with this App.

This notice DOES NOT apply to information that:

- We collect offline or on any other Company apps or websites, including websites you may access through this App.
- You provide to or is collected by any third party (see Third-Party Information Collection).

Our websites and apps, and these other third parties may have their own privacy policies, which we encourage you to read before providing information on or through them. For instance, the App may provide you with access to Company’s website located at [www.museumvisionar.com](http://www.museumvisionar.com) (the “**Website**”) and products and services accessible thereon, and certain features, functionality, and content accessible on or through the App may be hosted on the Website (collectively, “**Content and Services**”). Your access to and use of such Content and Services are governed by Website’s Terms of Use and Privacy Notice (collectively with the Application’s Privacy Notice and the Website’s Term of Use and Privacy Notice, the “**Other Policies**”), which are incorporated herein by this reference.

Please read this notice carefully to understand our policies and practices regarding your information and how we will treat it. If you do not agree with our policies and practices, do not download, register with, or use this App. By downloading, registering with, or using this App, you agree to this Privacy Notice. This Privacy Notice may change from time to time (see Changes to Our Privacy Notice). Your continued use of this App after we revise this Privacy Notice means you accept those changes, so please check this Privacy Notice periodically for updates.

### **Children Under the Age of 16**

The App is not intended for children under 16 years of age, and we do not knowingly collect personal information from children under 16. If we learn we have collected or received personal information from a child under 16 without verification of parental consent, we will delete that information. If you believe we might have any information from or about a child under 18, please contact us at [info@museumvisionar.com](mailto:info@museumvisionar.com).

California residents under 16 years of age may have additional rights regarding the collection and sale of their personal information. Please see Your California Privacy Rights for more information.

### **Information We Collect and How We Collect It**

We collect information from and about users of our App:

- Directly from you when you provide it to us.
- Automatically when you use the App.

### ***Information You Provide to Us***

When you download, register with, or use this App, we may ask you provide information:

- By which you may be personally identified, such as name, postal address, email address, telephone number or any other identifier by which you may be contacted online or offline (“**personal information**”).
- That is about you but individually does not identify you.

This information includes:

- Information that you provide by filling in forms in the App. This includes information provided at the time of registering to use the App, subscribing to our service, and posting material to the App, and requesting further services. We may also ask you for information when you report a problem with the App.
- Records and copies of your correspondence (including email addresses and phone numbers), if you contact us.
- Details of transactions you carry out through the App and of the fulfillment of your orders. You may be required to provide financial information before placing an order through the App.
- Your search queries on the App.

### ***Automatic Information Collection***

When you download, access, and use the App, it may use technology to automatically collect:

- **Usage Details.** When you access and use the App, we may automatically collect certain details of your access to and use of the App, including traffic data, location data (including length in location), logs, and other communication data and the resources that you access and use on or through the App.
- **Device Information.** We may collect information about your mobile device and internet connection, including the device’s unique device identifier, IP address, operating system, browser type, mobile network information, and the device’s telephone number.
- **Stored Information and Files.** The App also may access metadata and other information associated with other files stored on your device. This may include, for example, photographs, audio and video clips, personal contacts, and address book information.

- **Location Information.** This App collects real-time information about the location of your device.

If you do not want us to collect this information do not download the App or delete it from your device. For more information, see [Your Choices About Our Collection, Use, and Disclosure of Your Information](#). Note, however, that opting out of the App's collection of location information will disable its location-based features and render the App inoperable.

We also may use these technologies to collect information about your activities over time and across third-party websites, apps, or other online services.

### ***Information Collection Technologies***

The technologies we use for automatic information collection may include:

- **Cookies (or mobile cookies).** A cookie is a small file placed on your smartphone. It may be possible to refuse to accept mobile cookies by activating the appropriate setting on your smartphone. However, if you select this setting you may be unable to access certain parts of our App.
- **Web Beacons.** Pages of the App may contain small electronic files known as web beacons (also referred to as clear gifs, pixel tags, and single-pixel gifs) that permit the Company, for example, to count users who have visited those pages and for other related app statistics (for example, recording the popularity of certain app content and verifying system and server integrity).

### ***Third-Party Information Collection***

When you use the App or its content, certain third parties may use automatic information collection technologies to collect information about you or your device. These third parties may include:

- Advertisers, ad networks, and ad servers.
- Analytics companies.
- Your mobile device manufacturer.
- Your mobile service provider.

These third parties may use tracking technologies to collect information about you when you use this app. The information they collect may be associated with your personal information or they may collect information, including personal information, about your online activities over time and across different websites, apps, and other online services websites. They may use this information to provide you with interest-based (behavioral) advertising or other targeted content.

We do not control these third parties' tracking technologies or how they may be used. If you have any questions about an advertisement or other targeted content, you should contact the responsible provider directly. For information about how you can opt out of receiving targeted advertising from many providers, see [Your Choices About Our Collection, Use, and Disclosure of Your Information](#).

### **How We Use Your Information**

We use information that we collect about you or that you provide to us, including any personal information, to:

- Provide you with the App and its contents, and any other information, products or services that you request from us.
- Fulfill any other purpose for which you provide it.
- Give you notices about your account, including expiration and renewal notices.
- Carry out our obligations and enforce our rights arising from any contracts entered into between you and us, including for billing and collection.
- Notify you when App updates are available, and of changes to any products or services we offer or provide through it.

The usage information we collect helps us to improve our App and to deliver a better and more personalized experience by enabling us to:

- Estimate our audience size and usage patterns.
- Store information about your preferences, allowing us to customize our App according to your individual interests.
- Speed up your searches.
- Recognize you when you use the App.

We use location information we collect to aggregate it with other anonymized information basis and may provide it to third parties for statistical use and analysis.

We may also use your information to contact you about other goods and services that we offer that may be of interest to you. If you do not want us to use your information in this way, please contact us at [info@homevisionar.com](mailto:info@homevisionar.com).

We may use the information we collect to display advertisements to our advertisers' target audiences. Even though we do not disclose your personal information for these purposes without your consent, if you click on or otherwise interact with an advertisement, the advertiser may assume that you meet its target criteria.

### **Disclosure of Your Information**

We may disclose aggregated information about our users, and information that does not identify any individual or device, without restriction.

In addition, we may disclose personal information that we collect or you provide:

- To our subsidiaries and affiliates.
- To contractors, service providers, and other third parties we use to support our business and who are bound by contractual obligations to keep personal information confidential and use it only for the purposes for which we disclose it to them.
- To a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of the Company's assets, whether as a going concern or as part of bankruptcy, liquidation, or similar

proceeding, in which personal information held by the Company about our App users is among the assets transferred.

- To fulfill the purpose for which you provide it.
- For any other purpose disclosed by us when you provide the information.
- With your consent.
- To comply with any court order, law, or legal process, including to respond to any government or regulatory request.
- To enforce our rights arising from any contracts entered into between you and us, including the App EULA, terms of sale, and for billing and collection.
- If we believe disclosure is necessary or appropriate to protect the rights, property, or safety of the Company, our customers or others. This includes exchanging information with other companies and organizations for the purposes of fraud protection and credit risk reduction.

### **Your Choices About Our Collection, Use, and Disclosure of Your Information**

We strive to provide you with choices regarding the personal information you provide to us. This section describes mechanisms we provide for you to control certain uses and disclosures of over your information.

- **Tracking Technologies.** You can set your browser to refuse all or some browser cookies, or to alert you when cookies are being sent. If you disable or refuse cookies or block the use of other tracking technologies, some parts of the App may then be inaccessible or not function properly.
- **Location Information.** You can choose whether or not to allow the App to collect and use real-time information about your device's location through the device's privacy settings. If you block the use of location information, some parts of the App may become inaccessible or not function properly.

We do not control third parties' collection or use of your information to serve interest-based advertising. However, these third parties may provide you with ways to choose not to have your information collected or used in this way. You can opt out of receiving targeted ads from members of the Network Advertising Initiative ("**NAI**") on the NAI's website.

California residents may have additional personal information rights and choices. Please see Your California Privacy Rights for more information.

### **Accessing and Correcting Your Personal Information**

You can review and change your personal information by logging into the App and visiting your account profile page.

You may also send us an email at [info@visionsolutionsar.com](mailto:info@visionsolutionsar.com) to request access to, correct, or delete any personal information that you have provided to us. We cannot delete your personal information except by also deleting your user account. We may not accommodate a request to change information if we believe the change would violate any law or legal requirement or cause the information to be incorrect.

California residents may have additional personal information rights and choices. Please see Your California Privacy Rights for more information.

### **Your California Privacy Rights]**

If you are a California resident, California law may provide you with additional rights regarding our use of your personal information. To learn more about your California privacy rights, visit CCPA PRIVACY NOTICE FOR CALIFORNIA RESIDENTS.

California's "Shine the Light" law (Civil Code Section § 1798.83) permits users of our App that are California residents to request certain information regarding our disclosure of personal information to third parties for their direct marketing purposes. To make such a request, please send an email to [info@visionsolutionsar.com](mailto:info@visionsolutionsar.com) or write us at: 96 South George Street, Suite 220, York, PA 17401.

### **Data Security**

We have implemented measures designed to secure your personal information from accidental loss and from unauthorized access, use, alteration, and disclosure. All information you provide to us is stored on our secure servers behind firewalls. Any payment transactions will be encrypted using SSL technology.

The safety and security of your information also depends on you. Where we have given you (or where you have chosen) a password for access to certain parts of our App, you are responsible for keeping this password confidential. We ask you not to share your password with anyone.

Unfortunately, the transmission of information via the internet and mobile platforms is not completely secure. Although we do our best to protect your personal information, we cannot guarantee the security of your personal information transmitted through our App. Any transmission of personal information is at your own risk. We are not responsible for circumvention of any privacy settings or security measures we provide.

### **Changes to Our Privacy Notice**

We may update our Privacy Notice from time to time. If we make material changes to how we treat our users' personal information, we will post the new Privacy Notice on this page.

The date the Privacy Notice was last revised is identified at the top of the page. You are responsible for periodically visiting this Privacy Notice to check for any changes.
